November 2020

Dear Guidance Counselor,

The Walworth County Arts Council offers \$1,000 scholarships in the areas of music, visual art, dance, and theater to Walworth County seniors. Potential scholarship recipients should fill in the application for their specific area and audition or present a portfolio to a judge for consideration of receiving a scholarship. We do require that the student be accepted into a college and declare a major in the same area as the scholarship for which they are applying.

Enclosed you will find an application packet for our scholarships. It's also available online as a PDF that can be downloaded and printed from our website www.walworthcountyartscouncil.com.

Applications can be mailed with all supporting documentation to our USPS P.O. Box address as described in the application form. Electronic submissions (PDFs only) may be submitted but print copy applications are preferred.

Please share this information with your art, music, and theater teachers so they can encourage students to apply for the scholarship. A poster announcing the scholarships is included so it can be posted on bulletin boards in appropriate classrooms/departments.
